HISTORY PAPER 1

(Theory)

2 Hours: 15 minutes

INSTRUCTIONS TO CANDIDATES:

*This paper consists of two sections A and B. It has four examinations items
Section A is compulsory.*

Answer one item from section B.

*Answer **three** items in all.*

Any additional item(s) answered will not be scored

SECTION A

Answer both items in this section.

Item; 1

In areas of Bududa, river Manafa flooded and very many properties were destroyed including houses, gardens small scale industries while many of the people surrounding the river were left dead and a few who survived were relocated to the neighboring districts. The children of those who died are cautiously asking themselves many questions regarding to the origins of their parents and relatives and have failed to get the clear response.

Task

Explain to the above children the steps they should follow to know their origin.

Item 2

Religion is a key pillar of any society. In the pre-colonial societies of East Africa. Different people had different ways of worship though they had some common characteristics. However, during colonial and post-colonial periods, many foreign religions were introduced and have influenced people's ways of life up to date.

Task

Show how foreign religions that were introduced in the pre-colonial period have influenced the ways of life of societies in East Africa today.

SECTION B

(Attempt only one item)

Item 3

During the imposition of colonial rule in East Africa, different societies reacted to the colonial masters differently. Some societies like Buganda, Wanga etc. collaborated, while others like Bunyoro, Nandi etc. resisted and other societies were Perceive.

This state of affair is being manifested today where different societies in some parts of Northern and Central Uganda have resisted foreign investors from settling on their land while other societies in Western and Eastern Uganda have greatly welcomed the idea of foreign investment on their land.

Task

Basing on the knowledge acquired from African response to colonial rule, justify why some societies today are either resisting or collaborating with foreign investors.

Item 4

Ugandans celebrate Independence Day but many do not know about important people like Dr. Milton Obote, Ignatius K Musazi and Benedicto Kiwanuka who helped a lot. The government wants to fix this by writing about these. The government through the local leaders wants to teach people about this and show

respect for those who made the country what it is today. In your community you have been identified to focus on Obote's part in Uganda becoming independent.

Task

Write an essay to teach the people in your community about the above.
