SECTION A

Answer the item in this section.

ITEM ONE

The member of parliament aspirant of Northern Division in Mbale city has organized a rally and launching of his manifesto in Nakaloke town council, the launch is targeting a total number of almost **30,000** voters from within and nearby areas. It has been noticed that due to large number of people, the aspirant requested his organizing committee to get visual presentation and audio presentation. During the time of launching all voters will have a copy of the manifesto which will govern his term of service in the parliament.

The chairperson organizing committee has been requested by the honorable to provide whatever would make his launch successful, unfortunately, the chairperson had no idea on the ICTs to be used and how they are used.

Task

Explain to the chairperson organizing committee the ICTs he can use and how to use them to ensure that the launch is successfully done.

SECTION B

This section has **two** Parts; **I** and **II**.

Part I

Answer **one** item from this part.

ITEM TWO

Your school is experiencing a challenges in the laboratory where most of the computers have been mishandled by some students, it has been noticed that government supplied the school with more brand new machines in March of this year, unfortunately due to poor follow up by the concerned administrator.

The electronic component dumped is suspected to have an impact on both the environment and human health but the concerned personnel lacks such information to sensitize the school community. The school Head teacher has approached you to help and guide on how to safely keep the damaged ICTs at your school.

Task

Prepare a presentation that you will use to sensitize the school.

ITEM THREE

Kasadha is a stenographer at **Bizibu stationary center** in **Ntungamo municipality**, it has been observed that he has been maintaining his quality service for almost 6 years. After some time, he gained ground and had many clients which required him to work tirelessly to satisfy his customer needs. so in doing this, he had to stay on computer for a long time, and as a result, he started experiencing health related issues.

Task

Prepare a write up that will address kasadha's challenge and its solutions.

Part II

Answer One Item From This Part.

ITEM FOUR

NIRA is government organization responsible for registering and renewal of national identity card and keeping of records within the databases. You wanted to renew your national identity card with NIRA.

On arrival to their head offices, you found a long queue but later on Makuru who is among the officers in the offices informed you that the renewal can even be done online by obtaining the form on their website, filled and then submitted through the same website, unfortunately, you have no idea on how the registration is done online.

Task

Provide a procedural process to follow while registering.

ITEM FIVE

Mukwasi, your brother in Namanyonyi village in Mbale city took photos together with his friend kweraga while at SIPI falls in kapchorwa, due to power shutdown on their personal gadgets, they were not able to receive them on that day.

Nalumu, a mother to mukwasi staying in kalangala requested his son to share his photos via her email address, however mukwasi had had had no knowledge on how to share the photos via email.

You have been contacted by mukwasi as your best friend for help.

Task

Give step by step guidelines to mukwasi on what he should do.
