Paper 2 (Practical)

2 Hour 30 Minutes

#### INSTRUCTIONS TO CANDIDATES:

- ✓ This paper consists of **two** examination items.
- ✓ Answer **Both** items in this paper.
- ✓ You are provided with support files in the folder **MEBU CONSULTS Support Files** in the default my documents. Use the support files where applicable to supplement the items.
- ✓ You are provided with a **New Blank Compact Disc (CD)**.
- ✓ Use a **Permanent Marker** to write your name, random number and personal number on your CD.
- ✓ You should continuously **save** your work.
- ✓ You **must** produce a **Hard Copy** for each of your work to accompany a soft copy on the Compact Disc (CD).

### ITEM 1

Busega central market is carrying out a census on the number of vendors in their newly constructed market by the government of Uganda.it has been observed that most of the vendors got the lockups where they sale their products from. A support file **Commedy.xls** has been provided to help in investigating how much should each person pay per month.

One day, five stubborn hawkers from Buloba started selling their items outside the market without the consent of the council, they were arrested, detained and further charged by the council with the help of Uganda police. A support file **Twakoowa.docx** has been provided to you.

Task.

Use the support files provided to;

- a) Generate the profit Busega central market makes per month.
- b) Create a report that will be forwarded to the ministry of trade.name it **Busega twezimbe**.
- c) Develop a dismissal comment for those above 20,000/= as **“Try Somewhere”**.

### ITEM 2

Budiopo west constituency is experiencing a challenge where most of the residents in Buyanja Sub County are soon to be relocated by the ministry of energy due to the discovery of nuclear along the shores of Lake Kyoga, this has left many of the residents questioning on how to start a new life with their families outside their original villages.it has been observed that most of the residents are illiterate and they don't understand what the government is planning a head of their villages. Support folders **prepare to leave**. Has been provided.

Task.

Generate an offline presentation to sensitize the community about the government programme.
